Dear Provider:

This letter is to advise that the Georgia State Board of Cosmetology has approved the application for continuing education provider for Georgia State Board of Cosmetology Master Cosmetologists, Estheticians, Hair Designers, and Nail Technicians.

The Board has assigned the above registration number as your provider registration number to be used for the courses you are providing now. After approved registration, providers may submit notification and outlines of additional courses under the same registration number to the Board for review and approval.

Our records will indicate that **Hair Directions, Inc.** is registered with the Georgia State Board of Cosmetology under the above registration number. **The registration will expire December 31, 2014.**

The Board urges you to advise licensees that the number of CE hours is five (5) for master cosmetologists, estheticians, hair designers, and nail technicians. **Three of the five required hours must be satisfied with the health and safety course, specially developed by the Department of Technical and Adult Education (DTAE) for the profession.**

Sincerely,

The Georgia State Cosmetology Board
