## Option #2 Complete Your CE Online

- Complete your required CE online
- Convenient - Simple - Available 24/7
- Fun, entertaining education that is like watching a movie on your computer
- Start anytime and complete the class at your own pace, continuing where you left off when you return later
- Visit our web site today to register at a discounted price - limited time offer

## Option #3 Have a Class at Your Salon

- Have a private CE class for your group
- You select the date, time and location – we come to you
- Customize your event by choosing from 7 different fun, entertaining, and informational CE classes
- We put on a multi-media presentation utilizing a screen, projector and sound system, all supplied and set up by HairDirections
- Great prices! These classes can actually cost less than attending an open event. Visit our web site or call us to learn more and schedule your class.
